

A masterpiece... *Kendra, Age 12*

...lots of suspense...I also liked the magic...
Laura, Age 11

It was an awesome book... *Maysha, Age 12*

...good...suspense...it's also really cool, I liked the magic
Ali, Age 12

...very exciting...I loved it!
Katie, Age 10

(*Joanne Gatenby*) is an awesome writer...
Megan, Age 12

I can't believe I know someone who wrote a book! It should be published – it's great!
Gary, Over 30!

This book is wonderful, it really transports you another world of magic and fantasy.
I can't wait for the next book! *Andrea, 34*

"What a wonderful book! Even though the book was initially written for girls, it is worth a read for young men. It has suspense, magic, and a cunning story line that will please anybody -- young or old, male or female. This is the first book by this author, but I definitely want to read more! I look forward to further stories that follow the adventures of these 3 charming companions."

Mary Pat, Age 57
