

PERMISSIONS FORM

I do hereby swear that the contest entry described below, submitted with the graphed design, and accompanying this form, is copyright free, and my own original work, no part of which has ever been published elsewhere.

I am aware that the stitched model will be donated to a literary foundation (school, library, literacy program), and that by entering this contest I am expressing my willingness to relinquish any and all rights I may have to this design, and that all rights to the design shall become the property of X's & Oh's; R. R. 3; 76 Hungerford St.; Tweed, ON: K0K 3J0.

Should this design be chosen as one of the six winning entries, I agree that a picture of the winning design, along with my name, may be published in A NEEDLE PULLING THREAD needlework magazine.

If my entry is one of the winning bookmarks selected, I will receive a \$50.00 gift certificate from X's & Oh's, and a ONE YEAR subscription to A NEEDLE PULLING THREAD needlework magazine. My name will also be listed in the published collection of winning bookmarks, as the creator of this original design, but I will not receive any additional remuneration then that listed here. I am aware that a percentage of the profits from the sale of this collection will be donated to a literacy program in Canada.

If my entry is NOT selected, but I am one of the first 100 entrants, I will receive ONE ISSUE of A NEEDLE PULLING THREAD needlework magazine, and the stitched model of my entry will still be donated to a school, library or literacy program chosen by X's & Oh's, and A NEEDLE PULLING THREAD needlework magazine.
